

ÜRÜN
KATALOĞU

1999 yılında kurulan firmamız WİNSA üretici bayii olarak 2 merkez, 6 şube, 10 tali bayi ile hizmet vermektedir.

2000 yılında çift cam üretimine geçilmiştir, böylece pencerenin bütün elemanlarını üreterek tedarikçi firma konumundan üretici firma konumuna geçmiştir.

Çok hızla büyüyen firmamız yoğun talep karşısında, 2001 yılında Kastamonu merkezde 1.300 m² kapalı 4000 m² açık alana sahip üretim tesisimiz kurulmuştur ve ilk şubemizde bu yılda hizmete başlamıştır. Bu tesisin hizmete girmesiyle aylık üretim kapasitesi 50.000 metre tül'e çıkartılmıştır.

Müşterilerimize daha iyi ve hızlı hizmet verebilmek için 2002 yılında Devrekani şubemizi, 2004 yılında yoğun talepler doğrultusunda mutfak ve banyo dolapları imalatı ve satışına başlanmış ve aynı zamanda Taşköprü şubemiz hizmete girmiştir.

2004 yılı ocak ayından itibaren İstanbul ve Kastamonu da mobilya sektöründe üretime başlayan firmamız, iç dekorasyonda da tüm ihtiyaçlara cevap verebilmektedir.
